

SPECIAL PAPER

The THIMM Click4Tray is a patented backtray for direct contact with food. It consists of foodWave® | heatproof, a greaseproof and heat-resistant corrugated board, and is suitable for use in the oven or microwave. The THIMM Click4Tray is a sustainable alternative to aluminium trays and is easily assembled in just four clicks.

THIMM Click4Tray

A greaseproof corrugated for the safe direct food contact

>> Design number: D048869164
