

SPECIAL PRODUCTS

THIMM bicycle packaging is a practical corrugated cardboard bicycle packaging, which allows the transport and shipping of all types of bicycles. It is optimally tailored to the bicycles to be packed. Fixations and padding protect the goods from damage during transportation. In addition, the bicycle packaging is designed to be compact and space-saving. Smart design details allow opening without any tools and without effort and usual lifting the bike out of the bike packaging is not necessary.

Bicycle Packaging

Transport and shipping packaging made of corrugated cardboard

CUSTOMER BENEFITS
